## **Medication Use Questionnaire**

This questionnaire will help you think about how you use your medications.

When thinking about your medications include:

- Prescriptions
- Over the counter drugs
- Homeopathic medicines
- Vitamins
- Minerals
- Herbs
- Natural supplements
- Other alternative health products

## To complete the questionnaire:

- Think about all the medications you take on a regular or "as needed" basis.
- If the question applies to even one of your medications, answer with that medication in mind.
- If a question does not apply to you, check "Never".
- Answer each question by checking the **one** response that fits you best.
