Make a Difference

CJE is recruiting and training volunteers to make friendly calls and visits to older adults.

The benefits? With your friendly call, you will ...

- Provide a social connection.
- Develop friendships.
- Make a life-changing contribution to the well-being of older adults.
- Add to your own routine with pleasant conversations.
- Training is provided.
- Any person 18 years or older with a desire to volunteer is eligible.
- Calls and/or visits are expected on a regular basis.
- Calls can be made from your home or a CJE location.
- Volunteers can be paired with one or more older adults
- Volunteer calls can evolve into visits if the volunteer and the older adult are both willing to meet in-person.

A call can be a beautiful gift. Why not try this unique way of volunteering?
