

Artsy Talks

with CJE

Join us for a fun and engaging art-based program to explore ideas and spark dialogue!

Artsy Talks offers older adults and their caregivers an opportunity to engage and socialize live each week on Zoom. Facilitated by Art Therapist Amri De Guzman, this program presents a variety of discussion topics centered around works of art.

Additionally, there are several interactive, hands-on sessions which will inspire participants to be creative, social, and collaborative during an art making process. Artsy Talks is open to all and has been designed for older adults with mild to moderate dementia. *All members of your household are encouraged to get involved to generate conversation and interaction!*

Thursdays, starting December 3, 2020 • 10–11 am CST
