

Gauging Health and Wellness Opportunities for Jewish Older Adults

Over the last year, CJE interviewed stakeholders and completed focus groups with older adults to find out more about the needs of the older adult communities in the Near and Mid-North neighborhoods of Chicago.

Here are some interesting themes that came from the study!

The interests of older adults in the target areas include...

- Volunteer opportunities
- Chicago cultural events and activities
- Educational and discussion classes
- "A palce to hang out"
- A jewish connection and "presence"

What are some gaps in life enrichment programming?

Resources for newly retired individuals & Supportive Housing and Assisted Living

How much are participants willing to pay for monthly memberships?

- < \$25
- \$25-\$49
- \$50-\$74
